MEDICINAL

Perfect Health

BY THE USE OF
Dr. Pierce's Favorite Prescription

Mrs. H. A. Alsbrook, of Austin, Lenoxe Co., Ark., writes: "After five months of great suffering with female weakness I write this for the benefit of other sufferers from the same affliction. I doctored with our family physician without any good result, so my husband urged me to try Dr. Pierce's medicine—which I did, with wonderful results. I am completely cured. I took four bottles of Dr. Pierce's Favorite Prescription, four of his 'Golden Medical Discovery' and two vials of his 'Pleasant Pellets'.

The Common Sense Medical Adviser, 1008 large pages in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. Pierce, Buffalo, N. Y.

CATARRH Nasal Catarrh

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

COLD IN HEAD Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying, does not produce sneezing. Large size, 50 cents at druggists or by mail; trial size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

KODOL

Digests What You Eat

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol
Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: "After eating my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured."

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

Bottles only, \$1.00 Size holding 2 1/2 times the trial size, sells for 50c.

PARRY SEES DANGER AHEAD.

"It is time to organize" is the key-note of four circulars that are being sent to manufacturers throughout the country by D. M. Parry, of Indianapolis, president of the National Association of Manufacturers. He has found his text in the various resolutions of the recent Federation of Labor convention at New Orleans. The circulars are directed more against organized labor in general than the eight-hour bill, which Mr. Parry has attacked in circulars recently. Referring to the Max Hayes resolution adopted by the Federation, Mr. Parry says: "John Mitchell's United Mine Workers' organization cast 1,804 votes solidly for this resolution. This is the organization that evoked so much maudlin sentiment and brought the whole country to its knees in the anthracite strike. It is confidently prophesied that the socialists will be in full control of the trade unionist movement in the United States by the time of the next American Federation of Labor convention." The charge is made that Hayes' resolution means an attack upon the productive wealth of the country, and that the socialists intend to take possession of all the money and private properties.

MARLBOROUGH'S REQUEST.—The Duke of Marlborough recently asked King Edward to change the name of the royal palace now called Marlborough House so that the new palace which the Duke is building for himself on Curzon Street, Mayfair, may have that name. But after consulting with the Prince of Wales and with court officials, the King decided that it might cause great confusion if the name were changed. So the Duke has decided to call his new mansion Blandford House, after his second title. It might far more fitly be called Vanderbilt House, although the Duke never loses an opportunity of denying emphatically that it is in whole or in part a gift from his father-in-law. Marlborough House was built by the first, "the great" Duke of Marlborough, in 1709 at a cost of \$200,000. The architect was the famous Sir Christopher Wren, the architect of St. Paul's. Marlborough House was bought by the crown in 1817, and since then has been a royal palace. King Edward VII was born there. His son, the Prince of Wales, now occupies the palace.

BLOODY AFFRAY.—City Marshal R. W. Coulter and Justice A. E. Musgrove were mortally wounded Friday night at Farmington, Iowa, by George Stillwell, a deputy fish commissioner, who afterward was shot to death by a posse. Coulter attempted to arrest Stillwell on a warrant charging him with disturbing the peace. Stillwell shot Coulter in the stomach and in the shoulder. Stillwell then ran up the street and shot Musgrove in the head, because, it is said, the justice had recently sent him to jail on the charge of disorderly conduct. Stillwell then went home, reloaded his revolver, took a rifle, and started across the country, with a posse of armed citizens in pursuit. He was overtaken and held the posse at bay for nearly an hour. He was wounded several times, but finally was overpowered and ridden with bullets. None of the posse was hit.

HORSE OUTFRITS TRAIN AND JUMPS PILOT.—Henry Sackett, president of the Lynchburg Horse Show Association while following fox hounds along the Southern Railway near that city, early yesterday morning, on his prize hunt, Torchlight, was overtaken by a heavy train, with steam shut off, running noiselessly down a steep grade. When the train came out of the cut, fifty feet away, Mr. Sackett, without hesitation, threw himself from his horse down a steep bank and tried to pull the horse with him. Torchlight broke away and ran beside the track ahead of the train for nearly a mile. When the train was nearly on him, Torchlight made a record leap across the track and over the pilot of the locomotive into a body of woods.

STABBED TO DEATH.—John W. Barriger, Jr., resident engineer of the St. Louis, Memphis and Southeastern Railway Company, at Claraville, Mo., was stabbed to death Friday in St. Louis by Thompson Morton, an unemployed civil engineer. Morton, shortly after his arrest, was found to be suffering from bichloride of mercury poisoning, and was taken to a dispensary for treatment. His recovery is doubtful. Morton thus far has refused to name any motive for the killing of Barriger. The victim, who lived but thirty minutes after the stabbing, was unable to speak except incoherently. Barriger, whose age was twenty-seven, was a son of a prominent army officer now in the East, and one of his brothers is an officer in the Philippines.

FOUND CHEST OF GEMS.—Senor Olavaria, director of Las Vocinas College, Mexico City, reports to the government the discovery at that institution of a hidden chest containing extremely valuable gems. The chest contained a solid silver image of the Virgin, inlaid with gold and encrusted with gems, 192 diamonds, 342 emeralds, 28 rubies, and 1,987 pearls. The gems will become the property of the government. The director was told of the existence of the chest by an old matron of the college, who says that his hiding place was confided to her many years ago by a former matron while on her deathbed. The chest was hidden beneath a flagstone in the chapel.

First soak it in warm water to soften it, then pare it down as closely as possible without drawing the blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. What's in a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for Piles, For Sore, Bleeding, Itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases. DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. E. S. Leadbeater & Sons.

Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement. "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

After using Ely's Cream Balm six weeks I believe myself cured of catarrh.—Joseph Stewart, Grand Ave., Buffalo, N. Y.
